

## FOOD, LAND & WATER

A training course to promote fair distribution of natural resources in the framework of ecological justice

Dresden, Germany

26th October - 2nd November 2014

### DID YOU KNOW?

- In 2012 1/8 of the world's population did not have **access to clean water**
- 1.3 billion tons of **food is thrown away** worldwide every year. That's 1/3 of the overall food produced in the world.
- Every year 24 billion tons of **fertile soil disappears** due to desertification

Thousands of **young people** get up every morning, knowing about these issues. They can make a difference. You can be one of them. **You can make a difference.**

### WHAT

We invite you to the EYCE training course "Food, Land and Water" in Dresden...

- to gain knowledge about the political and economical mechanisms behind the distribution of natural resources;
- to investigate the access to resources as a basic need and how it is or should be addressed by European Human Rights;
- to discuss the responsibility and what can be done on different levels;
- to reflect own attitudes and opinions;
- to share experiences and projects and get to know new ones;
- to explore the Christian values and the biblical attitude towards ownership;
- to meet lots of people from all over Europe and different denominations;
- and so much more...

*Tamar (Georgia), Gideon (Germany), Deborah (Germany), Efrosyni (Cyprus), Elina (Finland), Suvi-Tuulia (Finland), Lisa (Germany)*
